MARKET UPDATE REVEALS PROFIT BOOST

Ross Human Directions Limited (RHD) wishes to provide the market with updated profit guidance for the first half of fiscal 2010.

The Board of Directors of Ross Human Directions Limited today advised that subject to finalising its half year accounts (as reviewed by the independent auditors) the Company at this time expects to achieve profit results for the first half FY10 materially above the corresponding first half of FY09.

Julia Ross, Managing Director of Ross Human Directions, said "Management is pleased that following a good result for FY09 in what can only be described as a difficult climate, that we are also able to deliver an improved first half of 2010. The company has concentrated on business with reasonable profit yields whilst controlling its cost base and debt levels. It is difficult at this stage to predict profits moving forward but we will continue to be prudent and concentrate on these strategies".

Upon finalisation of the accounts (as reviewed by the independent auditors) the Board will provide a further update to the market.
